SUPERVISORY AGREEMENT FOR REINSTATEMENT

The SC Occupational Therapy Practice Act allows practice under a temporary license to a licensee whose occupational therapist or occupational therapy assistant license has been inactive or lapsed for three years or more and who has applied to reinstate the license. The temporary license is valid for one year from the date of issue and may not be renewed. It authorizes the temporary licensee to work under the <u>on-site</u> supervision of an occupational therapist licensed in SC in order to obtain the minimum number of clinical practice hours required to reinstate the license.
