The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

Dear Governor Haley:

As President of the South Carolina Board of Counselors, Marriage and Family Therapists, and Psycho-Educational Specialists, I am proud to support Governor Haley's Task Force on Domestic Violence. We appreciate the attention that the Governor has brought to this important issue. Our Board has received information at our meetings in 2015 discussing the education available to our professionals and support and encourage our licensees in getting more educated on domestic violence. At the Counselor's Board we are aware our licensees are on the front lines in counseling both victims and offenders of domestic violence. We strongly encourage our licensees to take part in continuing education that focuses on domestic violence.

In the new year, we will be proposing a distribution to all of our members detailing the continuing education available, as well as the resources available to our clients so that our licensees may refer their clients for the appropriate services.

I look forward to continuing to assist the Domestic Violence Task Force as well as furthering the goal of reducing domestic violence in our state. Our Board will continue to contribute to that goal in any way we are able.

With kind regards,

Danny L. Garnett
President
