Additional Testing Information

- Tests will be administered the first and third Friday of each month beginning at 10:00 a.m. Testing will be in the State Fire Marshal's Office or classroom site to be determined.
- Anyone arriving after start of test will not be allowed to enter test site and will be required to reschedule.
- All persons testing must present picture ID to enter test site (no ID, no test).
- All tests are closed book unless otherwise stated. If they are closed book, absolutely no books or materials will be permitted in testing site.
- Individuals may take a particular type test only once per test date (i.e. dealer, reseller, fire extinguisher). However, individuals may take more than one type test on the same date (portable and D).
- Test results will be mailed. No results will be given at time of test. Exam results will be available within two weeks of the exam.
- All individuals wishing to take a test must call 803-896-9800 and schedule the test (s) that they wish to take prior to test date.
- The following information must be given when scheduling test:
 - Individual's Name
 - Test Date
 - Test Type
 - Company Name
 - Phone Number
- Individuals arriving at test site without an appointment and payment of proper fees will not be tested.
